Show order can be found on the next page.

All students should arrive through the loading dock doors (on the south side of the theatre), and will need to check in at the green room door. **ONLY CHAPERONES WILL BE PERMITTED INTO THE DRESSING ROOM AREAS.** We have over 300 students and need to eliminate crowds in order to abide by fire code and safety regulations.

All performers will be invited on stage for a final finale bow for each show. Please talk to your child about individual meeting places directly following each show. Chaperones will be responsible for keeping young groups together on stage after the final bow (so they are easier to find post-show).

Dancers must bring all costumes, accessories and personal items home PROMPTLY AFTER EACH PERFORMANCE to clear the backstage area for the next show.

As always, if you have any questions please contact faculty or desk staff. We are here to help make this a successful performance. Thank you in advance for your understanding, cooperation, and continued support of the arts in our community!
